

Mission Statement

Our Mission is to bring light in a time of sorrow. To provide a bear as a reminder of your little angel and that you are not alone, but accompanied by the thoughts and prayers of everyone who has shared in this emotion.

Volume 4, Issue 2

June 2016

- 4% This is the National Percentage of moms we currently supply teddy bears to.
- 26,000 The national number of stillbirths per year
- 20 Every 20 minutes a baby is born as a stillbirth
- 71 The number of hospitals we currently supply teddy bears to.
- 5 The number of states we currently are in.
- 1,000 The number of teddy bears we sent to hospitals this year alone.
- 1816 The number of teddy bears we have ordered since forming the Foundation in May of 2013.
- 0 The number of paid employees we have. Everyone is a volunteer!
- 100/7 My vision for the number of hospitals/states we are in this time next year.

This amazing growth would not and could not be possible without the continued support of you! Thank you for supporting us and for helping us to make sure no mom leaves the hospital emptied armed. That she will know that she is in the thoughts and prayers of others who have also experienced this same tragedy.

Not only do our teddy bears give the moms something to carry out of the hospital, it also gives them something to hug, cuddle and cry with as they grieve the loss of their baby.

The teddy bears also help to start the conversation about stillbirths. Most folks don't know what to say or how to start a conversation about the loss of the baby and so the teddy bear aids in getting a conversation going.

There are no words to describe how much we appreciate your support!! Thank You!

Grand River Bank supports the good works of non profits in West Michigan through its Chartable Contributions program. As part of the program, Bank employees recommend their favorite charity to benefit from their Casual Friday Charity day. Each Friday of the month, employees can "dress casual" by contributing to that month's designated charity. The Bank then matches the staff contributions 100%!

The Brianna Lee Foundation was the designated charity in March and we were able to receive that months contributions!

Thank You to the staff and to Grand River Bank!

Thank You Dr. Nylaan and Staff!

Every Tuesday night, Memorial Day through Labor Day, Dr. Nylaan and Staff host a 'Zumba for a Cause' in their dental office parking lot. All proceeds each Tuesday night towards a non profit. On June 7th we were honored to receive the monies raised that night. Thank you Dr. Nylaan and Staff!!

We would like to recognize and Thank this quarters donors! Your support allows us to continue to grow and circle more moms in love and prayers!
