2019 Golf Outing is in the books!

The 2019 golf outing was a very usual day. It started out cool but nice, after about 12 holes the thunder, lightning and heavy rains came. The alarm sounded and we had to clear the course.

What would have been a disaster turned into an amazing day! The Meadows Golf Course rushed getting the food out so the golfers could eat during the rain delay instead of afterwards. Then to top it off they gave each golfer a rain check for a round of golf! Thank you to the amazing staff at the Meadows Golf Course!

The majority of the foursomes went back out after the rain stopped and finished golfing. I call that Dedication!

Because of the dedication and support of our golfers, sponsors and donors, we had a very successful day! This yearly outing is one of the fundraiser we do throughout the year and is one way we are able to continue to grow and support families that have had a stillbirth.

Saying thank you hardly seems like enough when you consider how many lives we have touched, and when I say we I mean all of you! We wouldn't be able to run the Foundation without all your continued support!

So as small as the word is, the gratitude and love in the word is HUGE!! So THANK YOU for all your support!!

Here is a special letter we received.

Brianna Lee Foundation,  
We just wanted to thank you again for the work that you do. Today marks the 1 year anniversary of our son William's "birth" or we say his heavenly birthday. Today I held his bear tight as I looked at pictures and mementos.

When we got home today your letter was in the mail and I felt like it was a beautiful sign!

You are making such a positive impact and I know this beautiful blue bear will be a sign for years to come.

Thank you and God bless you!

Williams grateful parents

Happy belated heavenly birthday William from all of us at the Brianna Lee Foundation!
