

Mission Statement

Our Mission is to bring light in a time of sorrow. To provide a bear as a reminder of your little angel and that you are not alone, but accompanied by the thoughts and prayers of everyone who has shared in this emotion.

NOTES WE HAVE RECIEVED

I have wanted to say thank you for a long time. Our daughter was born still at 26 weeks and 5 days in April 2015. We have cherished the bear that was given to us everyday since then. Thank you. Please know your foundation makes such a difference.

This donation was given at my baby's funeral. I got one of your bears at the hospital after I had my son. It has brought me a lot of comfort. So in lieu of flowers I asked for donations to your organization. Thank you for my bear and for everything you do to help moms like us.

Thank you so much for the beautiful blue bear that you gave to our family and so many others during our difficult time. Your generosity did not go unnoticed. Your kind and thoughtful gesture meant more than we can put into words! Your gift inspired us to think of ways that we too could give back to grieving families. Thank you for all that you do, you are making Brianna so proud and lucky to have you as family.

The goal of the Brianna Lee Foundation is to be in as many hospitals as possible, to help as many moms as possible. Currently we are in hospitals in the states of Michigan, Indiana, Illinois, Ohio, New York, Pennsylvania, one in Texas and Colorado. Our continued growth depends on donations and support from great people like you. We will be targeting hospitals in the states of Wisconsin and Florida the next few months. So hang on and lets take this journey together! Thank you for your continued support!!

Thank you Dr Nylaan and Staff!

Every Tuesday evening, memorial day week through Labor day week, Dr Brian Nylaan and his Staff host a “Zumba for a Cause”. A certified Zumba instructor, Kate Wood leads the attendees through an hour long work out. All monies raised at these events are donated to a non profit.

Each year we are honored to be one of the non profits. Thank you for allowing us to be one the non profits, benefiting from the monies raised that night, and for allowing us to have a table at the event to inform more folks about the Foundation. Thank you for your continued support of the Brianna Lee Foundation!

Thank you golfer, donors, sponsors and silent auction bidders.

We are amazed each year by the response and support of our annual golf outing. Each year we have more golfers and amazing silent auction items.

As you all know this is our largest one day fundraiser for the Foundation. We could not grow and add additional hospitals if it wasn't for this event.

Because of your support we were able to add two new states and 19 new hospitals to the Brianna Lee Foundation. Touching the hearts of more moms and families. All because of your support!

Each year we also have some golfers who were effected by a stillbirth and had received one of our bears. This is why we do what we do! To help you and every other family effected by this tragedy.

From all of us at the Foundation... thank you for your continued support!
