

Mission Statement

Our Mission is to bring light in a time of sorrow. To provide a bear as a reminder of your little angel and that you are not alone, but accompanied by the thoughts and prayers of everyone who has shared in this emotion.

Exciting News!

This past quarter has been very busy for us at the Brianna Lee Foundation! What with putting together our first annual golf outing, adding two new hospitals to the Brianna Lee Foundation Family (more moms being loved and supported in their time of tragedy!) and with all the great folks we met this quarter. This addition of the newsletter will be dedicated to thanking some of the great folks that supported us and helped as well as recognizing some new friends.

First we are excited to welcome Mercy Health Muskegon and Mercy Health Cadillac to the Brianna Lee Foundation Family! We are so blest to have such great support from all of the hospitals we work with! The amazing compassion and love for their moms has been displayed at each hospital we have supplied the teddy bears too.

Second I want to share two notes we received. One came from Brenda Terburg-Fawley, Bereavement Coordinator at Bronson Health Care System in Kalamazoo. Brenda wrote "Thank you for the great work you are doing to support those families who are grieving and in need of comfort and cozy hugs!". The second note came from a mom who received one of our teddy bears after the stillbirth of her daughter. She thanked us for the gift of the teddy bear and the comfort that it brought her as it gave her something to hold.

These two notes show us that the Foundation and the gifts of the teddy bears that we supply to the hospitals, are helping the moms that experience a stillbirth. And NONE of this would be possible without your support. So the thank yous go to you for your continued support!

If you have not yet done so please like us on Facebook to see all that we are doing and to keep up with what is coming! Again, it is because of your support that we are growing and helping as many moms as we are to date!

A HUGE THANK YOU to Grand River Bank.

Grand River Bank supports the good works of non profit agencies in West Michigan through its Charitable Contributions program. As part of the program, bank employees select a favorite charity to benefit from their Casual Friday Charity day. Each Friday the employees can dress down and contribute to the months designated charity. The bank then matches the staff's contributions 100%.

Our foundation was the chosen charity for the month of April.

Thank you Grand River Bank for your donation and generous gift! Because of your support we will be touching and supporting more moms!
