

Mission Statement

Our Mission is to bring light in a time of sorrow. To provide a bear as a reminder of your little angel and that you are not alone, but accompanied by the thoughts and prayers of everyone who has shared in this emotion.

OUR WARMEST WISHES FOR A VERY MERRY CHRISTMAS AND A HAPPY NEW YEAR!

As we reflect over this past year and how far the Brianna Lee Foundation has grown, we are filled with so much love and appreciation for all of you.

Because of your support financially, prayerfully and through you sharing the foundation with others, we are able to support moms in over 80 hospitals and in 5 states!

The states we currently cover are Michigan, Illinois, Indiana, Ohio and one in Texas. Because of your support we are now in the process of contacting hospitals in the states of Pennsylvania and New York. And none of this would be possible without you!

So with every twinkling light and every Christmas star, we give thanks for you and your support! All of us at the Brianna Lee Foundation, want to wish you a very Merry Christmas and a Happy New Year!

If your business, hospital or work place would like to help us out we have these paper bears you can use as a fund raiser. Let your customers, patients or employees donate and then fill in their information and hang the bear up. It's great to see a wall filled with these bears!

We will supply everything you need for this fund raiser (the paper bears, information about the Foundation and anything else you need).

You just supply the people!

We would like to Thank our donors this Quarter
