

Mission Statement

Our Mission is to bring light in a time of sorrow. To provide a bear as a reminder of your little angel and that you are not alone, but accompanied by the thoughts and prayers of everyone who has shared in this emotion.

EXCITING THINGS HAPPENING AT THE FOUNDATION!!

INCLUDING A NEW WEBSITE

We are growing! Not only have we added new hospitals this year, our current hospitals have continued to give moms/families the Brianna Lee teddy bear, to let them know that they are not alone, but in the thoughts and prayers of others during their personal time of tragedy. These bears also allow the mom to leave the hospital, with something in her arms. We are planning a big increase this coming year; as we plan to target new hospitals in states that we currently are not in, while reaching out to some of our current hospitals that we have not heard from recently.

This growth will be possible because of your financial support, as well as your prayers. This growth is all because of you! So, thank you!!

We are also excited to let you know **we have a new website!** Check it out! It is amazing! Thanks to Gary Moody for the designing of the website and to both Gary and Jeff Miller for all the work they have put into getting this up and running!

While we were switching to our new website, we were without email for a few weeks. Please reach out to us again if you were not able to get in touch with us during this time. Again, check out our new website at www.briannaleefoundation.org.

Again, our ability to touch the moms and families that experience a stillbirth is all because of you! So, from the bottom of our hearts, thank you!!

Daddy, please don't look so sad,
Mama please don't cry.
Cause I am in the arms of Jesus
And He sings me lullabies.
Please, try not to question God,
Don't think He is unkind.
Don't think He sent me to you,
And then He changed his mind.
You see, I am a special child,
And I'm needed up above.
I'm the special gift you gave Him,
The product of your love.
I'll always be there with you
And watch the sky at night.
Find the brightest star that's
gleaming,
That's my halo's brilliant light.
You'll see me in the morning frost,
That mists your window pane.
That's me in the summer showers,
I'll be dancing in the rain.
When you feel a little breeze,
From a gentle wind that blows.
That's me I'll be there,
Giving your heart a hug.
So daddy, please don't look so sad,
Mama don't you cry.
I'm in the arms of Jesus,
And He sings me lullabies
From your little angel.
