

Mission Statement

Our Mission is to bring light in a time of sorrow. To provide a bear as a reminder of your little angel and that you are not alone, but accompanied by the thoughts and prayers of everyone who has shared in this emotion.

It's That Time of The Year Again!!!

Where plans are in full force for the 13th annual Brianna Lee Foundation Golf Outing! We are busy soliciting for Silent Auction items, asking and looking for Sponsors, as well as getting the word out about the date of the golf outing, so that our golfers can get registered. It's hard to believe we have been doing this for 13 years now!

Here are some facts about the golf outing and the Foundation. The golf outing is our biggest fund raiser. This event is what allows us to continue, as well as grow each year. We couldn't continue to supply our current hospitals with the teddy bears, as well as add new hospitals, if we didn't hold the golf outing. (Interesting fact: we had a hospital in Hawaii ask if they could be added to the Brianna Lee Foundation Family and start receiving the teddy bears for their moms that have a stillbirth.)

Everyone on the Brianna Lee Foundation board are volunteers. No one receives any money. Their reward for all their work is hearing a mom/family share how much that teddy bear touched their heart and helped them in their healing process. Our second reward is seeing all the smiling faces and watching all the fun, that everyone at the golf outing is having.

So, please help us continue the mission of the Foundation by golfing, sponsoring and/or donating. We look forward to seeing you this year at the golf outing. Remember that we couldn't do this without you! TOGETHER we are helping those moms that are faced with leaving the hospital with empty arms.
